8, 9 and 10 october first open blokart Europees championships!

In october between 50 and 100 participants will race for the European blokart title. The championships are open; so if you are interested to participate feel free to register in the international field of participants, Therefore you can send your e-mail from today to jason@bbizz.nl. The place to be is the Dutch island Terschelling with its unique beach, the date to list in your agenda is 8 through 10 oktober. The provisional programme is as follows: On thursday evening you can register. The manches will take place on 8, 9 and 10 october; on 9 october a freestyle demonstration will take place after the manches of the day. On sunday 10 october the winner receives his/her price at 16:00H at hotel Schyle. (more championship info will follow soon on www.blokarteuropa.com).

Balloon Tyres

These size XXXL tyres make it possible to also ride on a looser underground. So from today you don't need to wait untill the tide is out!! Price: € 647,50.

Deuce

The deuce connects two karts together for the ultimate in team sailing – higher speeds and better performance! It's the perfect accessory for instructional work as the person in the second blokart doesn't need to control a handle bar. Price: € 222,25.

Carbon Race base

The CRB is a carbon fibre 3rd and bottom mast section to stiffen the mast for the 3.0m & 4.0m sail and make it more efficient (i.e. faster!) for skilled karters. If max speed is what you are after then this is your accessory for € 178,00.

What a beauty, and available as well; 'The Pod'

Funner! Fasterer! Still compact – another ingenious idea from blokart. The Pod quickly turns your kart into a stylish, all weather racing machine. Dust, dirt, sand and rain are no longer an excuse to stay at home. Reduced drag, improved performance, increased comfort and advanced style. The pod is available in all sail colors; red, blue, green, yellow, orange and black. You can order the pod with your local dealer for € 429,50
